

The bridge that connects Tidung Besar and Tidung Kecil Islands is picturesque, but need extra care and courage to cross. Crystal clear water, check. Clean sandy beach, check. Beautiful underwater world, check. Fresh air, check. Security, check. Fit for any budget, check. Tidung Island has almost every bit of paradise an island should have. It's only that reaching there is rather challenging.

Length : 2 Days 1 Night

Price : Rp. 330.000 ,00 / pax

Min : 20 Pax
